As a consequence, she fails to put her own theory into
practice, since the fairy-tale dimension of her Gothic
fragment left little room for Gothic terrors" Similarly, Mayo
reductively classifies the fragment genre on a whole as a mere
study of form: "The Gothic fragment is an exercise in
atmosphere, a disconnected episode of terror, divorced from
all the novelesque elements which encumber the Gothic romance"
"Short Story" Such a diminutive view of the fragment
immediately separates it from the more elaborate novel. Guests
will also be able to take advantage of a host of recreational
activities such as surfing, boating, sailing and swimming.
