According to the claims made by some of its publishers, the Protocols are the minutes of a late 19th-century meeting where Jewish leaders discussed their goal of global Jewish hegemony by subverting the morals of Gentiles, and by controlling the press and the world's economies. Even the prosimetric form, considered the hallmark of Menippean works, may in fact link the Satyricon to the Greek comic novel, as has been shown by the recent discovery of papyri fragments containing the so-called romances of Iolaus and Tinuphis In Chapter 6, "Realism and Irony," Conte observes that realism in literature lies not in Auerbachian mimesis.
