The NexStar User's Guide

More fundamentally, he desires to save us from sin, from being anything less than the men and women he created us to be. The reactions here are wrong about science as such, and we can certainly hope they are still in a minority of lay people, but the disgust with the way in which scientists like Michael Mann for example have politicized themselves, pronouncing on all kinds of matters outside their particular expertise, has a deeply corrosive effect on the perception and reputation of scientists and science across the culture.
