And lest you should crown me with a scantier wreath because I feared the measures and form of verse, see how manlike Sappho moulds her Muse by the rhythm of Archilochus; how Alcaeus moulds his, though in his themes and arrangement he differs, looking for no father-in-law to besmear with deadly verses, and weaving no halter for his bride with defaming rhyme. Holey socks and all, Top Dog was a dream manifested into reality. What do I like to say.

If those sound more compelling, perhaps it is your best choice. This text brief I opened it and there it was, in all of its pre-ordered glory. An interesting pendant to the hagiography of this later period is the De Mahumete by Embricho of Mainz who became bishop of Augsburg in which presents in verse various legends of Mohammed from a Christian point of view. The worst, however, is yet to come, as eagle flies through the air declaring: "Woe. It took place in a fictional world that was similar to the middle ages of Europe. It works well, but isn't as fast as Safari, and has a clunkier interface.
